

Privacy notice for parents and carers – how we use your personal data...

Under data protection law, individuals have a right to be informed about how the School uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about **you**.

We, Brownhill Learning Community, are the 'data controller' for the purposes of data protection law. If you have a concern about the schools data protection practice you can contact our Data Protection Officer - DPOSchools@Rochdale.Gov.UK.

Collecting this information...

While the majority of information we collect about you is mandatory, there is some information that can be provided voluntarily.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

How we store this data...
